

FOREST HEALTH MONITORING - CITIZEN AWARENESS PROJECT

FREE TREE TALKS

Through a grant from the United States Forest Service (USFS), the Montana Department of Natural Resources and Conservation (DNRC) have hired consulting arborist Mike Garvey to travel to thirty communities across Montana this winter to deliver 2-hour presentations on Urban Forest Health Monitoring. The talk will discuss numerous urban forestry concepts such as: innovative planting techniques, plant health care options, identifying invasive insects and disease, and a pest protocol system for reporting invasive insects. Mike Garvey, RCA® is an ASCA Registered Consulting Arborist (#461), an ISA Certified Arborist (#RM2416A) and a Montana Department of Agriculture Certified Ornamental & Turf Pesticide Applicator (#15971-12). ISA CEU's as well as pesticide applicator credits will be available. If you have questions please call Fred Bicha, DNRC (406)247-4403.
